

Support the Foundation

By investing in a thriving organization and our Sigma sisters across the world, we support sisters who are focused on scholastic, leadership and charitable pursuits. We can empower sisters to change their corner of the world.

Ways to Give

Pillars of Sigma is an annual giving club that recognizes alumnae who contribute \$1,000 in one year. These members receive exclusive opportunities and invitation-only events.

For a gift of \$5, you can honor your Sisters, family, friends, and heroes with a Violet Tribute while supporting the Tri Sigma Foundation.

The Steadfast Giving Club makes philanthropic goals realistic and easily attainable through monthly giving.

Our Mission Create opportunities for donors to support leadership development, scholarship, philanthropy, and service.

Our Vision The Tri Sigma Foundation will be a philanthropic priority for the members of Tri Sigma.

Our Values In everything we do, we seek to positively impact the members of Tri Sigma by developing donor relationships and acting with integrity.

“ I learned ways to lift my sisters up and received a heightened awareness and confidence that will allow me to have a successful presidency. Your efforts have made this possible. ”

History of the Foundation

The Foundation was formed in 1992 when the Robbie Page Memorial Fund joined with the Educational Foundation to create the Tri Sigma Foundation. The Tri Sigma Foundation remains true to its children's health initiatives as well as providing scholarship and leadership opportunities for Sigma sisters. Most recently in 2016, the Foundation expanded its vision for Sigma Serves Children by adding a national partnership with March of Dimes.
