

# TRI SIGMA

## *Baby Blankets*

You can create these lap blankets for mothers and babies by yourself or work in pairs or a small group.

**Step 1:** Use at most a 1 yard piece of fleece fabric for each blanket. Lay out your fabric piece (do NOT double layer) on a flat surface.

**Step 2:** Begin by cutting 1-inch slits around every edge of the blanket and a 2-inch square on each corner.

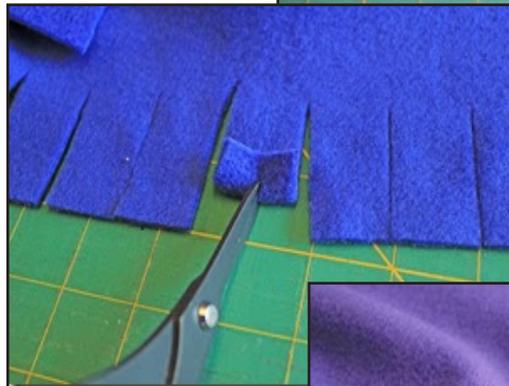

**Step 3:** Then about 1/2 to 3/4 inches from the end of each tab, cut a 1/4 to 3/8 inch slit.

**Step 4:** Starting in the center of one long side, pull one loop over the tab until you only have one strip remaining.

**Step 5:** Cut the final strip in half. Pull one half through the final loop and tie together in a double knot.

**Items Needed:**  
1 yard of Fabrics  
Scissors
