

LIGHT YOUR PORCH PURPLE!

NOVEMBER IS PREMATURETY AWARENESS MONTH

Please join me in the fight for the health of all moms and babies this November! More than 380,000 babies are born prematurely in the U.S. each year—that's one baby every two seconds.

I will be lighting my porch purple throughout the month of November to honor Prematurity Awareness Month. As a Tri Sigma member and a proud March of Dimes supporter, I would be delighted to have you join me!

If you're interested in participating, I've included instructions on the back.

Thank you,

HOW TO LIGHT YOUR PORCH PURPLE

- Purchase a purple light bulb.
- Replace your front porch light with the purple bulb for the month of November.
- Take a picture and share on social media using #PrematurityAwareness and tag @SigmaSigmaSigmaNHQ and @MarchOfDimes.
- Let others know why you're lighting your porch purple—for the 380,000+ babies that are born prematurely in the U.S. each year.
